Happys & Sads.

We had a few rounds of Happys and Sads.

Program:

Our speaker this evening was our own Rolf Gillardon who gave a classification talk. He talked about his career starting when he was 16 years old in Germany. He worked as a freight forwarder for different companies and in different countries. He also started and sold his company later on in his career.

Following his presentation, Rolf was thanked by Past President David who presented him with the customary certificate pledging the club to, in his name, immunize 20 children against polio.

Toast to Rotary International: Terry McGauley led the toast.

Adjournment: Past President David, hearing nothing more for the good of Rotary, adjourned the meeting.
